FW: Decision on Your Submission JFUE-D-16-00413R1

TAKEBE Hiromichi <takebe.hiroi> Sen, 16 Mei 2016 jam 06.50

Kepada: arman_pnup@yahoo.co.id

Arman,

We revise your manuscript within a week. Please check reviewers' comments. The reviewers unfortunately have poor knowledge for slag melts. But we have to revise carefully our manuscript as soon as possible for your Dr. thesis. Please come to my room in the afternoon today.

Hiromichi Takebe

差出人: ees.jfue.0.394b02.acb439b2@eesmail.elsevier.com

Fuel
Ref: JFUE-D-16-00413R1
Title: Density measurements of gasified coal and synthesized slag melts for next-generation IGCC
Authors: Arman -, Akiko Okada; Hiromichi Takebe
Article Type: Research paper

Dear Prof. Hiromichi Takebe,

Reviewers have now commented on your paper. You will see that they are advising that you revise your manuscript. If you are prepared to undertake the work required, I would be pleased to reconsider my decision.

For your guidance, reviewers' comments are appended below.

When submitting a revised manuscript, it must be accompanied by specific responses to the issues raised by each reviewer. The revised paper will not be considered further unless it is accompanied by the following documentation of the author(s) specific responses to issues raised by each reviewer. Example:

Reviewer 1

you via our 24/7 support at <http://service.elsevier.com>

Article title: Density Measurements of Gasified Coal and Synthesized Slag
Melts for Next-Generation IGCC
Article reference: JFUE10537
Journal title: Fuel
Corresponding author: Prof. Hiromichi Takebe
First author: Dr. Arman -
Final version published online: 1-JUN-2016
Full bibliographic details: Fuel (2016), pp. 304-313
DOI information: 10.1016/j.fuel.2016.05.117

Dear Prof. Takebe,

We are pleased to inform you that the final version of your article with full
bibliographic details is now available online.

To help you access and share your article, we are providing you with the
following personal article link, which will provide free access to your article,
and is valid for 50 days, until July 21, 2016

<http://authors.elsevier.com/a/1T8BV3iH3yU8P>

Please use this link to download a personal copy of your article for your own
archive. You are also welcome to email the link to your co-authors and
colleagues, or post the link on your own homepage, Facebook, Google+,
Twitter or other social media profile, to tell your network about your new
publication. Anyone who clicks on the link until July 21, 2016, will be taken to
the final version of your article on ScienceDirect for free. No sign up or
registration is needed - just click and read!

As an author, you may use your article for a wide range of scholarly, non-
commercial purposes, and share and post your article online in a variety of
ways. For more information, please see www.elsevier.com/copyright.

Dear Saito Sensei,

I copy and paste the Fuel decision of our manuscript:

Fuel

Ref: JFUE-D-16-00413R2

Title: Density measurements of gasified coal and synthesized slag melts for next-generation IGCC

Authors: Arman -, Akiko Okada; Hironmichi Takebe

Article Type: Research paper

Dear Prof. Hironmichi Takebe,

I am pleased to confirm that your paper "Density measurements of gasified coal and synthesized slag melts for next-generation IGCC" has been accepted for publication in Fuel.

When your paper is published on ScienceDirect, you want to make sure it gets the attention it deserves. To help you get your message across, Elsevier has developed a new, free service called AudioSlides: brief, webcast-style presentations that are shown (publicly available) next to your published article. This format gives you the opportunity to explain your research in your own words and attract interest. You will receive an invitation email to create an AudioSlides presentation shortly. For more information and examples, please visit http://www.elsevier.com/audioslides.

Thank you for submitting your work to this journal.

Note: Your accepted manuscript will now be transferred to our production department and work will begin on creation of the proof. If we need any additional information to create the proof, we will let you know. If not, you will be contacted again in the next few days with a request to approve the proof and to complete a number of online forms that are required for publication.

With kind regards,

Zuohua Huang, Ph. D
Principal Editor
Fuel

Thank you very much Sensei for guiding me to answer question and to design a good experiments.

Best regard,
Arman
