\*\*\*\*\*

Thanks for your participation in our International MultiConference of Engineers and Computer Scientists 2014 (IMECS 2014). With the efforts from our conference committee, we are organizing the edited books for our conference participants.

We are happy to inform you that Springer has invited us to publish the

edited book [ Transactions on Engineering Technologies - International MultiConference of Engineers and Computer Scientists 2014] for our IMECS 2014 and we are now inviting our IMECS 2014 conference participants of selected papers for the edited book.

You are invited to submit the extended and revised work of the following conference paper for the edited book published by Springer:

Paper number: ICCA\_32  
Title: Computer Simulations and Experiments on Vibration Control of a Flexible Link Manipulator Using a Piezoelectric Actuator

The authors of each book chapter are required to purchase one copy of the edited volume at the reduced price of US\$110 in total (i.e. one copy per chapter). This fee has already included the postage and packing charges.

Please refer to the website below for the order details  
[http://www.iaeng.org/IMECS2014/edited\\_book/Springer\\_ITET/#G7](http://www.iaeng.org/IMECS2014/edited_book/Springer_ITET/#G7)

The selection process has been based on the review results of the conference papers and the evaluation scores by our conference committee members during the conference period. The new edited volume will give you the opportunity to present and discuss your results in more details.

\*\*\*\*\* Submission Information \*\*\*\*\*

If you are interested in it, please send your work with the email subject [submit ICCA\_32 to the edited book published by Springer for IMECS 2014] to [imecs\\_publication@iaeng.org](mailto:imecs_publication@iaeng.org) according to

Notes for the Preparation of the Book Chapters of the Springer Title  
[http://www.iaeng.org/IMECS2014/edited\\_book/Springer\\_ITET/](http://www.iaeng.org/IMECS2014/edited_book/Springer_ITET/)

The above website must be studied carefully if you would like to make a submission.

Thanks for your attention and we are looking forward to your participation in our coming International MultiConference of Engineers and Computer Scientists 2015 which will take place in Hong Kong, 18-20 March, 2015.  
For details, please refer to
