

Dear Shanty Halim

We have reached a decision regarding your submission to IDEAS: Journal on English Language Teaching and Learning, Linguistics and Literature, "Students Perception towards English Online Classroom Via Zoom During the Covid-19 Pandemic"

Our decision is: Revisions Required

Admin Ideas
ideas.journal@palopo.ac.id

Reviewer A:

1. Your abstract must be completed with the brief description of the problem, research objectives , method used, and the results of the research as the primary focus of an abstract.
2. Be sure about the gap of your current research by comparing and confirming with the previous research
3. Do not forget to make sure that you have stated the research question and the objectives of the research in your background
4. Complete your method with clear and detail information especially method, data collection (how did you select those journal articles) and data analysis (how did you analyzed those articles)
5. Please use the appropriate English tenses for each parts and paragraphs of your article
6. Improve your table and pictures (if any) are based on the template given
7. Be sure about your conclusion has been formulated critically and logically. You should prepare more practical suggestions as part of the conclusion part.

Reviewer B:

Please revise your abstract by adding the brief description of the problem, research objectives , method used, and the results of the research as the primary focus of an abstract.

You should state the gap of your current research by comparing and confirming with the previous research

State the research question and the objectives of the research in your background

Complete your method with clear and detail information

Finding and data of result should be clearer and detail

Please complete your discussion part with confirming your finding with the previous studies and research

Please use the appropriate English tenses for each parts and paragraphs of your article
