Dear Mr. Ahmad Rizal Sultan:

Thank you for registering your paper 1569622251 ('Ground Fault Currents in Unit Generator-Transformer At Various NGR and Transformer Configurations') to 2012 IEEE Symposium on Industrial Electronics and Applications (ISIEA 2012). You still have to upload your manuscript, using either web upload or ftp.

- Via web form upload: <https://www.edas.info/uploadPaper.php?m=1569622251>

- Via ftp: You can upload the paper to <ftp://ftp.edas.info>, using the file name 1569622251 (You MUST use the paper number, not some other file name.)

You can see all your submissions and their status at

<http://edas.info>

Dear Mr. Ahmad Rizal Sultan:

Thank you for uploading your paper 1569622251 ('Ground Fault Currents in Unit Generator-Transformer At Various NGR and Transformer Configurations') to 2012 IEEE Symposium on Industrial Electronics and Applications. The paper is of type application/pdf and has a length of 170165 bytes.

The publisher requires that PDF fonts are embedded so that documents can be printed everywhere; one or more of your document fonts are not embedded. See [EDAS FAQ](http://edas.info/faq109).

You can modify your paper at

<https://www.edas.info/showPaper.php?m=1569622251>

and see all your submissions at

<http://edas.info>

using the EDAS identifier rizal.sultan@fkegraduate.utm.my

Dear Mr. Ahmad Rizal Sultan,

Your paper entitled "Ground Fault Currents in Unit Generator-Transformer At Various NGR and Transformer Configurations" is due for final camera-ready submission. Please strictly follow instructions from the conference website (http://www.isiea.org/2012/index.php?option=com_content&view=article&id=12&Itemid=19) to ensure your paper to be included in the conference proceeding.

However, the payment has to be done before the paper can be uploaded through **EDAS**. Finally, please DO NOT forget to complete copyright transfer in **EDAS** (eCopyright).

We are looking forward to seeing you in Bandung, Indonesia.

Nawawi Seroji
ISIEA 2012 Publication Chair
