

Dear Editor

Herewith, we submit our manuscript entitled "Vertical Stress Distribution at Soil Layers with Various Consistencies under the Footing Contact Area" which we kindly ask you to consider for publication in Journal of Lowland Technology International.

Please address any correspondence concerning the paper to me at the address below.

Sincerely Yours,  
Muhammad Suradi, Associate Professor  
Department of Civil Engineering  
Ujung Pandang State Polytechnic  
Makassar, 90245, Indonesia

Thank you for sending your paper to us. Could you submit your paper on the website to get your ID Paper by the system? This is the link of the LTI Journal website [http://cot.unhas.ac.id/journals/index.php/ialt\\_lti](http://cot.unhas.ac.id/journals/index.php/ialt_lti)  
After you get the ID Paper, your paper will be handled by our editor.  
Thank you for contacting us. Please wait for another announcement.

Best Regards,  
Evi, Dr.  
On Behalf of Editor in Chief  
Associate Editor

Dear Dr Evi

Thank you for your information.  
I have tried to submit our paper manuscript via website, but it was not successful.  
Therefore, I submit through this email and hopefully this way will be accepted.

Best Regards,  
M. Suradi

Dear Ir. Muhammad Suradi,

We will help you to get the ID paper by the system, and please wait for the next notification from us. Thank you.

Best Regards,  
Evi, Dr.  
On Behalf of Editor in Chief  
Associate Editor
