Dear Harbani  
Dear Author

I have received the comments from one of the reviewers and it appears that the paper could be considered for publication should it go under careful editing. We have a group of people who could do this and in case they do the editing your paper will be accepted. The cost of our service is \$800 USD. However, it is not obligatory and you may use your own service. If you wish to use our service please let me know, otherwise, feel free to upload a high quality paper using the UPLOAD option.

In case you wish to use our service, please let me know so that I could send you details of the payment.

Sincerely  
Webology

This paper fits well to the scope of this journal but needs proof-read before publication, for instance

The qualities of both are the same but the members in e-leadership must have knowledge of new and modern information and communication technology (ICT).

The qualities of both are the same but the members in e-leaderships must have knowledge of new and modern information and communication technologies

or

There are still inconsistencies in the citation in the body and reference, corrected again and returned it in red

Dear Author

Overall the file is neat and plagiarism has met the conditions of less than 15%.

Here are some corrections that you have to do, there are some sentences that are not quite right.

There is also an attached LOA

Regards,

Editor,
