To: Muhammad Ruswandi Djalal <wandi@poliupg.ac.id>

Dear authors,

We received your paper:

Authors : Muhammad Ruswandi Djalal, Sonong Sonong and Marhatang Marhatang
Title : Superconducting magnetic energy storage optimization for load frequency control in micro hydro power plant using imperialist competitive algorithm
Number : 227

The paper was submitted by Muhammad Ruswandi Djalal <wandi@poliupg.ac.id>.

Thank you for submitting to IJEM1.

Best regards,
EasyChair for IJEM1.

Dear Authors,

Thanks your contributions to IJEM. We are pleased to inform you that your paper

IJEM-ID No.: Paper 227

Title: Superconducting magnetic energy storage optimization for load frequency control in micro hydro power plant using imperialist competitive algorithm

Author(s): Muhammad Ruswandi Djalal, Sonong, Marhatang

has been accepted and considered to be published by the Journal "IJEM". Congratulations!

International Journal of Engineering and Manufacturing (IJEM)

ISSN: 2305-3631(Print), ISSN: 2306-5982 (Online)

DOI: 10.5815/ijem

Website: <http://www.mecs-press.org/ijem>

No page charges for publications in this journal!

IJEM has been indexed by several world class databases: Google Scholar, Open Access Articles, Scirus, CNKI, CrossRef etc..

Thanks for your contributions to MECS Press. Your paper will be considered to be published in the recent issue of IJEM. Please carefully consider the reviewers' comments and suggestions when preparing the final version of your paper, otherwise, your paper will not be considered for publication.

Requirements of the papers for MECS Journals:

1. The length of IJEM paper should be **8 pages at least**.
 2. All **Mathematical Equations** should be edited use **MathType** and numbered as (1)(2)(3)...
 3. All tables should be numbered as **Table 1.**, Table 2., **Table 3.**, ...
 4. All graphics and pictures should be numbered as **Fig.1.**, Fig.2., **Fig.3.**, ...
 5. You should **add Authors' Profiles** into the end of your paper, and **you should add your photo in your profiles; otherwise we will not publish your paper.**
 6. Please consider the reviewers' comments and suggestions carefully when you revise your paper.
 7. The references list has to be extended by adding up-to-date references up to 15. The list of the references could include 2-3 publications, which published in our journals during 2012-2017.
 8. The final camera-ready version should follow the instruction of the MECS Press Journal Template.
 9. The **Copyright Form** should be completed with **handwritten signature**.
-

Authors' Guidelines: <http://www.mecs-press.org/ijem/author.html>

Please send back the final version paper (.doc and .pdf format) and completed MECS copyrights (.pdf or .jpg format & **handwritten signature**) to ijem@mecs-press.org **before 20 August 2018**.

Please support us, and your support will make our service better and faster.
<http://www.mecs-press.org/partner.html>

Best Regards,
Yolanda Jane

Dear Editors,

Thank you for the confirmation of our paper.
We have made improvements to our paper, based on the reviewer's correction.

Best Regards
