Dear Dr. Masud,

I am forwarding to you an e-mail notification sent on 28.11.2019. regarding formatting the paper entitled "MANGO SEED KERNEL OIL EXTRACTION WITH ETHANOL: OPTIMIZATION OF OIL YIELD AND POLYPHENOL", CICEQ 4790, according to the Authors guide. Since I have not heard from you, consider that your paper CICEQ 4790 "MANGO SEED KERNEL OIL EXTRACTION WITH ETHANOL: OPTIMIZATION OF OIL YIELD AND POLYPHENOL" is rejected. However, you can send your paper as a new submission, with all the necessary corrections.

With best regards,
Avramovic Jelena
Technical associate

Manuscript number #4790: MANGO SEED KERNEL OIL EXTRACTION WITH ETHANOL: OPTIMIZATION OF OIL YIELD AND POLYPHENOL

Chemical Industry & Chemical Engineering Quarterly
(Chem Ind. Chem. Eng. Q.)
Belgrade, Serbia
(www.ache.org.rs/ciceq)

Dear Dr. Masud,

I have received your paper entitled "MANGO SEED KERNEL OIL EXTRACTION WITH ETHANOL: OPTIMIZATION OF OIL YIELD AND POLYPHENOL", CICEQ 4790, and I am thankful to you for choosing the Chem. Ind. Chem. Eng. Q. for publishing your scientific results. However, I have noticed that your manuscript has not been prepared completely according to the Instructions for Authors (attached). Namely:

- Indicate approximate locations of Figures directly in the electronic text, i.e. indicate where Figures should be places
- Formulae and Equations: They must be written with great care using `corresponding formula/equation editor`. The equations written in new

Gmail CICEQ

15 dari 15

text, i.e. indicate where Figures should be places

- Formulae and Equations: They must be written with great care using corresponding formula/equation editor. The equations written in newer versions of equation editors incorporated into Word 2007 or above are not acceptable. The authors are strongly encouraged to use external Microsoft equation editors from earlier versions of MS Word or MathType.
- The list of references should be arranged according to their appearance in the text. Give names of all authors (do not use "et al."), with their initials before the respective surnames. Exclude article titles in journals. Journal titles should be abbreviated according to the Chemical Abstracts Service Source Index, 2005 edition, and supplements. The abbreviated titles should be followed by the volume number, year (in parentheses) and first and last page numbers. Examples:
 1. A. Wilchem, B. Wilchem, Chem. Ind. Chem. Eng. Q. 18 (2012) 123-125.
 2. C. Wilchem, Textbook of Chemistry, Publisher, City (2012), p. 123.
 3. D. Wilchem, in Chemistry Handbook, E. Editor Ed., Publisher, City (2012), p. 123.
 4. E. Wilchem, Title of the Proceeding, in Proceeding of Name of the Conference or Symposium, Place of the Conference, Country (2012), p. 100.
 5. F. Wilchem, (Holder), Country Code and patent number (registration year)Online citations should be avoided, but if essential they should include the author, title, website and date of access (example: N.A. Wright, The Title of the Online citation, URL in full [accessed 7 June 2012]).

Please correct the attached manuscript and return it to me as soon as possible (within no more than 10 days) so I can continue with the publication process.

Based on the referees' reports, my opinion is that the manuscript is not acceptable for publication in its present form.

However, if you feel that you can suitably address all referees' comments, I invite you to revise and resubmit your manuscript in 30 days.

If you are submitting the revised manuscript, please also

- answer to each referee's comments in separate documents, indicating the referee's number in the name of the document,
- outline each change made (point by point) as raised in the referee's comments
- provide a suitable rebuttal to each referee's comment not addressed and
- color the new part of the text

PLEASE LET I KNOW IF YOU ARE GOING TO REVISE THE MANUSCRIPT AND SUBMIT IT AGAIN.

I am looking forward to receiving your revised manuscript.

Yours sincerely,

Tid Mul Vlada Veljkovic

Dear Profesor Vlada Veljković
Editor-in-Chief
Chemical Industry & Chemical Engineering Quarterly

We wish to submit a revision of our manuscript entitled "Mango seed kernel oil extraction with ethanol: optimization of oil yield and polyphenol" (CICEQ_4804) in accordance with the reviewers suggestions, we have outline each change made (point by point) as raised in the referee's comments, and have given color to the sections that were added and revised, if there is still something that needs to be revised, we will respond as soon as possible.
We would like to thank reviewers who have provided suggestions / improvements and perfected our manuscript. We hope this manuscript is suitable for the publication process.
Thank you.

Sincerely Yours,
Fajriyati Mas'ud

Manuscript number #4804: MANGO SEED KERNEL OIL EXTRACTION WITH ETHANOL: OPTIMIZATION OF OIL YIELD AND POLYPHENOL

Chemical Industry & Chemical Engineering Quarterly
(Chem Ind. Chem. Eng. Q.)
Belgrade, Serbia
(www.ache.org.rs/ciceq)

The Chemical Industry and Chemical Engineering Quarterly (Chem Ind. Chem. Eng. Q.) is on the SCIE list with an impact factor of 0.720 for 2019.

Dear Dr. Mas'ud,

Tid Mul Based on the Reviewers' opinion your paper **CICEQ 4804** entitled "MANGO SEED KERNEL OIL EXTRACTION WITH ETHANOL: OPTIMIZATION OF OIL YIELD AND POLYPHENOL" could be accepted for publication providing processing fee to be paid, as you have already agreed.

Type here to search 30°C Hujan ringan 1:33 PM 7/21/2021

Dear Dr. Mas'ud,

It is my pleasure to inform you that the article:

4804: MANGO SEED KERNEL OIL EXTRACTION WITH ETHANOL: OPTIMIZATION OF OIL YIELD AND POLYPHENOL

by authors Fajriati Mas'ud, Sri Indriati, Abigael Todingbua', Akhmad Rifai, Muhammad Sayuti

is accepted and will be published in one of the next issues of Chemical Industry & Chemical Engineering Quarterly. Your paper will obtain a doi number which can be seen in the next couple days on the site of the journal (Section Online-First).

We hope that you will have interesting to continue publishing in our journal.
