**Subject:** Re: [S2IS Journal] Result of The First Phase of Paper Review

Dear Mr Hilman,

I have improved the paper according to the suggestion of reviewer. Experimental results are added as can be seen in page 6-7 and page 17. Hopefully, it meets the requirements for publication in S2IS journal.

Best regards,

Irfan Syamsuddin

**Subject:** [S2IS Journal] Result of The First Phase of Paper Review

Dear Irfan Syamsuddin,

The first phase of S2IS paper reviews with the title "State of The Art on Secure and Low cost RFID Authentication Protocols for RFID based Vehicle License Plate" is already

PROCEED FOR THE ID BASED VEHICLE LICENSE THAT IS ALREADY PASSED. Here is the comment from the S2IS reviewer.

**“Some experimental results are required for the paper to be published in the S2IS journal.”**

Please revise your paper according to the reviewer’s comment and send it back to me before July 31, 2013.

Regards,
