Subject: FW: The invitation letter as a keynote speaker on MICEEI 2014

Hi Sirma,

Well it has arrived! There seems to be a lot of high profile speakers.
Do you really think the audience will be really interested in SD
Transmitters?

I will see what I can do.

Have safe trip home

cheers

m

Salam,

Terlampir paper: **$\Sigma\Delta$ Modulator for Digital Wireless Architecture: A review**

*Kalo masih ada spot buat session chair let me know.

Sukses MICEEI 2014.

Many Thanks

Sirma

Thanks Mike.

Final draft is attached.

I will give oral presentation for this paper and be one of the session chair.

You are one of the keynote speaker at Day 1: 10.25-11.10.

For my presentation, now I am preparing the slide. I will send it soon when it's done.

Want you me to prepare for your slide too?

Mike, I talked to director of my home institution (The State Polytechnic of Ujung Pandang) to invite you as well to give a talk (1-2 hours, theme likes our Friday Talk).

It is OK that the slide is the same with your talk at MICEEI. If you agree we should arrange a schedule if you don't mind. Many thanks.

cheers,

Sirma

Very good Sirma,

Some small changes

1) You only have one section " Section II" apart from the introduction.

I suggest you promote all your sub-heading to section headings. That is:

sub-heading A) becomes Section II

Sub heading B) becomes section III

Sub-heading C) becomes Section IV

2) You also need Section V Conclusion . It can be very short; two lines. Suggest: "RF up-conversion using Sigma –Delta techniques is a potential replacement to traditional techniques using analog circuits. The all digital output creates a number of noise and distortion products. Techniques to address these problems have been discussed."

Sirma, I am confused. I thought I was giving an invited talk and you were doing nothing. Will you be presenting this at the Conference or is this what I have to present in the invited talk? **Please let me know since I am preparing my talk now.**

In any case perhaps you can send me the overheads when they are ready.

See you soon

Cheers

m

Subject: MICEEI-2014 Makassar

Hi Mike,

How are you?

Sorry for being long time and so so late to inform you about MICEEI2014. The committee has arranged for your ticket and the accommodation. Please see the attachment the paper for this conference. Dr Palentei (MICEEI chairman) has agreed to give us extended time for the submission. If you agree and happy with my draft I will forward and submit to him.

I can't wait to see you in Makassar.

Many thanks.

Cheers,

Sirma
