

# RE: CSOC 2020 Notification

Inbox

Dear Chair of CSOC,

This is to confirm that I have finalized the revision as attached.  
Thank you very much.

Kind regards,

Irfan Syamsuddin, PhD

Dear Irfan Syamsuddin,

The CSOC2020 Organizing Committee is pleased to inform you that your paper:

**Evaluation of A Novel Intelligent Firewall Simulator for Dynamic Cyber Attack Lab  
was Accepted - Revisions Required**

---

Reviewer 1

Scientific Level: E, Language Level: D, Methods: C, Originality: D  
Overall Recommendation: B

Review Text: The presented paper focuses on an interesting topic. This paper brings a minimum new. Please check the conference template and update your paper according to this template.

---

Reviewer 2

Scientific Level: D, Language Level: B, Methods: C, Originality: A  
Overall Recommendation: A

Review Text: It is more an engineering paper with aspects of imperial research. But i would like to recommend it for acceptance.

---

Please login to your author account at <https://csoc.openpublish.eu> and submit your Camera-Ready paper. Due to the conference deadlines, we strongly encourage you to

log in as soon as possible to your author's account to read the possible reviewers comments and feedback.

## Final Registration / Camera Ready Paper Instructions

- 1) Read your reviews – by clicking on Read Paper Review button.
- 2) Please submit your final manuscript by the March 06, 2020 (no extension will be provided). Please login to your author account, click on link Submitted papers. You may submit your final manuscript by using Upload Camera Ready Paper. (Button can be found in you paper Box if you have multiple papers, you have to upload each of them individually).
- 3) Please submit a ZIP file/archive, which will contain:
  - a. If you have created the paper in MS Word, please include: MS Word Document + figures source files (jpeg, png, eps or pdf).
  - b. If you have created the paper in the LaTeX environment, please include Tex source file, style files, figures source files (tiff, jpeg, png, eps or pdf), special fonts and (optionally) bib files.
  - c. The final PDF version of your paper, corresponding to the MS Word or Latex source files.
  - d. Consent to Publish, Consent to Publish is available prefilled in your user account (you can download it in your user dashboard, after login, in submitted paper section). Please submit scanned document – add your handwritten signature.
- 4) Please be sure to follow paper format templates, which can be found in Download Section <https://csoc.openpublish.eu/article/download>
- 5) The final camera-ready paper strictly must comply with the Springer proceedings template. Editors will check the implementation level of the reviewers' comments too. Failure to meet these conditions may result in rejection of your paper from the final publication process.
- 6) Pro Forma Invoice can be downloaded in user dashboard (if needed).
- 7) For each paper that was accepted for the conference, please submit payment by clicking the Process Checkout - Conference Registration Fee button. After clicking the button you can see your personalised payment instruction page. Registration fees are per paper, not per author. If you have more than one paper, then you would have to submit separate registration payments for each of your papers. You can choose payment by wire transfer or by credit card.
- 8) The final invoice will be uploaded to the user dashboard, when your payment will register by CSOC2020 Organizing Committee.
- 9) Your ask for further assistance, questions or queries, please submit

to [csoc@openpublish.eu](mailto:csoc@openpublish.eu)

Yours sincerely

Petr Silhavy, Ph.D.
