Dear Prof.,

I'm so happy for this. Thanks for everything.

I really want to go since i've never been to Europe. I'll try to have support for the flight and accommodation from my institutions.

But, since the final submission is 30 march , i need your help for the registration fee. 😊

Sincerely yours

Dharma

Hi Dharma

Thanks for the information that you have provided. Unfortunately with the new handbook changes, Phd awardees are no longer able to claim airfare, accommodation or visa application fees for presenting at overseas conferences. Also, we will not be able to reimburse the cost of registration as the conference is after your scholarship ends.

Regards

Jamie

Dear Jamie,

The attachments are the reviewer comments on the paper for further revisions before the publication.

Yes, the conference will be in July 2017, but the paper submission and the reviews was on last year. Here is the link of the IFAC world congress 2017. <https://www.ifac2017.org/>

Fyi, this is the biggest event in my field of study, it is conducted once in 3 years. It's a great achievement to have my paper accepted.

My supervisor confirmed to pay for the registration. Therefore, I hope you can help me for the flight ticket and visa processing fee.

Thanks Jamie

Best regards

Dharma
