Dear Indonesian-American Kavli Frontiers of Science Symposium Attendee:

I am pleased to send you the following background and preparatory materials for the upcoming 2022 Indonesian-American Kavli Frontiers of Science symposium:

1. Symposium Agenda Book – (attached PDF)

As you know, this year's symposium will be held August 1-5, 2022 at the Hyatt Regency Yogyakarta in Yogyakarta, Indonesia.

To help prepare for the symposium we have prepared an electronic agenda book, containing the program, agenda, session abstracts, poster abstracts, poster list, attendee roster, COACH Career Training Workshop, travel/logistical information, as well as full PDFs of and links to background review papers for all sessions.

Should you have any questions about the symposium agenda book, or need additional information please do not hesitate to let me know.

I look forward to welcoming you to the symposium next week in Yogyakarta.

All the best,

Edward
