Dear Sir/Madam,

We have received your paper "The Effect of Ejectors on Reduction Indoor Air Pollution at the Welding Room" for publication in the journal Nature Environment and Pollution Technology. The preliminary scrutiny of the paper showed that the scientific contents are within the scope of the journal and the paper is suitable for publication. Please see the attached file for format of the manuscript and the certificate which you have to sign before acceptance of the paper. The certificate can be signed with scanned signature or scanned copy of the certificate after signature on its printout copy. We will process your paper further only after receiving the paper in journal format and the authors' certificate, which should be sent at the e-mail: operations@neptjournal.com. **Please maintain the trail of the e-mail so as to keep a track on the full correspondence.**

Regards
Apurva Goel
Manager, Operations

Dear Sir/Madam,

We have received your paper entitled "The Effect of Ejectors on Reduction Indoor Air Pollution in the Welding Room" for publication in the journal Nature Environment and Pollution Technology. Its paper ID is D-1059, which may please be quoted in all future correspondence. Without paper ID, queries may not be answered. The paper will not be rejected now, but authors may be asked for modifications/corrections, if any, after the final review process, which may take about 2-3 months. The final publication of the paper may take about nine months to one year. Please maintain the trail of the e-mail so as to keep a track on the full correspondence.

Sincerely,
P. K. Goel

Dear Sir/Madam,

Thanks for submitting your research paper for the publication in the journal 'Nature Environment and Pollution Technology'. However, in the initial review of the paper, we found that there are many grammatical mistakes in the paper and it does not meet the quality standard of the journal. Hence, the paper cannot be considered for publication in the journal.

Dear Sir/Madam,

We are sending your paper **D-1059** for proofreading in pdf format. Please correct the proof carefully. You may give special attention to authors' names and affiliations, and to see that all the Tables, Figures and References are properly quoted in the text. You can make the proofreading by "sticky notes" or any other editing tool directly in the pdf file only. **Please do not replace any Figure or Table. The major corrections in the text will not be incorporated.** For such major type of corrections, we have already given two chances in the beginning. The final layout of the paper shall be made only after proof corrections. If the corrections are provided in the WORD file, mark them with **red colour** to identify them. Please send the corrected proof immediately to avoid the delay in the release of the journal.
