Dear Joice Manga, Ahyar Ahmad, Paulina Taba, Firdaus Firdaus,

Kindly we would like to inform you that the ICOS2019 committee had received an email from the IOP Publishing as the publisher saying that your paper number 95 entitled

SYNTHESIS AND MODIFICATION OF MESOPOROUS SILICA WITH SULFATED TITANIUM DIOXIDE AS A HETEROGENEOUS CATALYST FOR BIODIESEL PRODUCTION FROM PALM FATTY ACID DISTILLATE

is accepted for publication.

All accepted papers had been passed to production and a volume in IOP-JPCS is being prepared for the publication.

The production will contact the committee directly if they find any technical issues with the file of your paper and when the volume is ready to be previewed just before it is published.

We will contact you with any further information.

Congratulations.
