Well don Vilia and Lloyd for publishing in this high quality journal; I have no doubt that the article will be cited heavily by workers in the field!

Regards, Stefan

Ref: COFS_2018_124_R1

Title: Dairy protein-ligand interactions upon thermal processing and targeted delivery for the design of functional foods
Journal: Current Opinion in Food Science

Dear Professor Kasapis,

I am pleased to inform you that your paper has been accepted for publication. The reviewer comments are appended to the end of this letter.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check. You can read more about this [here](#). Meanwhile, you will be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact.

Thank you for submitting your work to Current Opinion in Food Science. We hope you consider us again for future submissions.

Kind regards,

elke scholten

Comments from the editors and reviewers:**- Reviewer 1**

- Very much improved version and can be recommended for publication.

- Reviewer 2

- Authors have carefully revised the manuscript addressing my comments and concerns, so I suggest publication of the revised version.
