mr Muhammad Ruswandi Djalal:

It is my great pleasure to inform you that your paper ID 11136: "Optimal Design Power System Stabilizer Using Firefly Algorithm In Interconnected 150 kV Sulsebar System" has been accepted AS IT IS and will be published on the International Review of Electrical Engineering (IREE).

If you want to publish the paper on the current issue of the Journal, please, accomplish the following requirements as soon as possible:

1. You should order and pay for the Article Publication Fee (you should buy the e-journal or the hard copy containing your paper) by entering into your restricted area with your username and password at:  
<http://www.praiseworthyprize.org/jsm/index.php?journal=iree&page=login>, going to the Summary section of your accepted paper and clicking on the "PAY NOW" link.

2. You should download, fill in, sign and return, by e-mail to [info@praiseworthyprize.it](mailto:info@praiseworthyprize.it) the following documents:

2.1 COPYRIGHT FORM at:

<http://www.praiseworthyprize.org/public/documents/copyright%20Praise%20new.pdf>

2.2 TREATMENT OF PERSONAL DATA at:

[http://www.praiseworthyprize.org/public/documents/Treatment%20of%20Personal%20data%20\\_2\\_.pdf](http://www.praiseworthyprize.org/public/documents/Treatment%20of%20Personal%20data%20_2_.pdf)

2.3 eventually the PERMISSION REQUEST FORM at:

<http://www.praiseworthyprize.org/public/documents/COPYRIGHT%20PERMISSION%20PRAISE.pdf>

for the reproduction of any figure, table or extensive (more than fifty words) extract from the text of a source that is copyrighted or owned by a party other than Praise Worthy Prize or of the Author.

Sincerely,

Dr. Santolo Meo, Editor-in-Chief of International Review of Electrical Engineering (IREE)  
[santolo.meo@unina.it](mailto:santolo.meo@unina.it)

Warning for print deliveries:

In case you decide to order the print copy of the journal, we point out that the shipping will be made with the "regular mail" service, without the possibility to monitor the delivery. In this case the delivery time will take around two months. Otherwise, you can decide to receive it with a "registered mail" service, that will have a cost around 35.00 euros (for one print copy) instead of about 25.00 euros requested for the regular mail. In case of "registered mail" service, the delivery can be monitored and the time delivery is within 30 working days.

Summary for one print copy:

| Shipping mode   | Cost        | Delivery time   | Delivery monitoring |
|-----------------|-------------|-----------------|---------------------|
| Regular mail    | 25.00 euros | 30 working days | No                  |
| Registered mail | 35.00 euros | 30 working days | Yes                 |

Please note that if you will not receive the copy, it will not be possible to send it to you again for free. Anyway, in the case of lost delivery, we will send you the proof of the shipping and the password to download the electronic version of the issue where your paper has been published.

N.B. Please verify that all the metadata indicated in the webpage of your submission (in the Summary section) are updated respect to the final version of the paper you've uploaded.

# Editor/Author Correspondence

Editor Subject: [IREE] Editor Decision

DELETE

2017-  
04-02  
04:40  
AM

Dear dr. mr Muhammad Ruswandi Djalal:

We have reached a decision regarding your paper ID 11136: "Optimal Design Power System Stabilizer Using Firefly Algorithm In Interconnected 150 kV Sulselrabar System", submitted to: International Review of Electrical Engineering (IREE). We apologize for the lengthy review period.

The paper has been accepted with minor revisions.

You should change the paper according to the remarks of the reviewers included at the foot of this email, then you should re-submit the revised paper by our on-line submission system, selecting the cited paper and uploading the Author Version in the section "Editor Decision". The new text and the modifications introduced for answering the remarks of the reviewers should be indicated in red colour.

Sincerely,  
Dr. Santolo Meo, Editor-in-Chief of International Review of Electrical Engineering (IREE)  
santolo.meo@unina.it

Remarks of the Reviewers:

Reviewer: 1

Recommendation: Accepted with minor revisions.

Comments:

1

The paper doesn't have a nomenclature therefore it is difficult to follow the explanation of the contents.

2

Once more, the text in some parts is unreadable due to the grammar and lack of ability to clearly explain the work.

Reviewer: 2

Recommendation: Accepted with minor revisions.

Comments:

1

English grammar needs to be corrected from the abstract to the conclusion of the paper.

2

The topic is well developed in literature. The references section should be more extended. It is requested to add the following:

- ikhram, R., Latha, S., Coordinated Design of PSS and TCSC Controller for Power System Damping Improvement with Multiple Control Design Requirements, (2014) International Review on Modelling and Simulations (IREMOS), 7 (2), pp. 311-322.

- Aravindan, P., Sanavullah, M., Vijayakumar, G., Renewable Energy Based Shunt Compensator For Power Quality Improvement, (2014) International Review on Modelling and Simulations (IREMOS), 7 (1), pp. 152-159.

- Manuaba, I., Priyadi, A., Hery P., M., Coordination Tuning PID-PSS and TCSC Based Model of Single Machine Infinite-Bus Using Combination Bacteria Foraging-Particle Swam Optimization Method, (2015) International Review of Electrical Engineering (IREE), 10 (6), pp. 787-794.  
doi:<https://doi.org/10.15866/iree.v10i6.7330>

Reviewer: 3

Recommendation: Accepted with minor revisions.

Comments:

1

The English needs editing for grammatical errors and style. We suggest to use our service "English Language Editing". More information can be found to

[http://www.praiseworthyprize.com/english\\_service.htm](http://www.praiseworthyprize.com/english_service.htm)

2  
The conclusion is extremely weak.

3  
The quality of the figures should be improved: the numbers around each figure should be enlarged because are not readable.

 mr Muhammad Ruswandi Djalal:

It is my great pleasure to inform you that your paper ID 11136: "Optimal Design Power System Stabilizer Using Firefly Algorithm In Interconnected 150 kV Susebar System" has been accepted AS IT IS and will be published on the International Review of Electrical Engineering (IREE).

If you want to publish the paper on the current issue of the Journal, please, accomplish the following requirements as soon as possible:

1. You should order and pay for the Article Publication Fee (you should buy the e-journal or the hard copy containing your paper) by entering into your restricted area with your username and password at: <http://www.praiseworthyprize.org/jsm/index.php?journal=iree&page=login>, going to the Summary section of your accepted paper and clicking on the "PAY NOW" link.

2. You should download, fill in, sign and return, by e-mail to info@praiseworthyprize.it the following documents:

2.1 COPYRIGHT FORM at:  
<http://www.praiseworthyprize.org/public/documents/copyright%20Praise%20new.pdf>

2.2 TREATMENT OF PERSONAL DATA at:  
[http://www.praiseworthyprize.org/public/documents/Treatment%20of%20Personal%20data%20\\_2\\_.pdf](http://www.praiseworthyprize.org/public/documents/Treatment%20of%20Personal%20data%20_2_.pdf)

2.3 eventually the PERMISSION REQUEST FORM at:  
<http://www.praiseworthyprize.org/public/documents/COPYRIGHT%20PERMISSION%20PRAISE.pdf>

for the reproduction of any figure, table or extensive (more than fifty words) extract from the text of a source that is copyrighted or owned by a party other than Praise Worthy Prize or of the Author.

Sincerely,  
 Dr. Santolo Meo, Editor-in-Chief of International Review of Electrical Engineering (IREE)  
 santolo.meo@unina.it

Warning for print deliveries:

In case you decide to order the print copy of the journal, we point out that the shipping will be made with the "regular mail" service, without the possibility to monitor the delivery. In this case the delivery time will take around two months. Otherwise, you can decide to receive it with a "registered mail" service, that will have a cost around 35.00 euros (for one print copy) instead of about 25.00 euros requested for the regular mail. In case of "registered mail" service, the delivery can be monitored and the time delivery is within 30 working days.

Summary for one print copy:

| Shipping mode   | Cost        | Delivery time   | Delivery monitoring |
|-----------------|-------------|-----------------|---------------------|
| Regular mail    | 25.00 euros | 30 working days | No                  |
| Registered mail | 35.00 euros | 30 working days | Yes                 |

Please note that if you will not receive the copy, it will not be possible to send it to you again for free. Anyway, in the case of lost delivery, we will send you the proof of the shipping and the password to download the electronic version of the issue where your paper has been published.

N.B. Please verify that all the metadata indicated in the webpage of your submission (in the Summary section) are updated respect to the final version of the paper you've uploaded.

Dear IREE Journal Editor

I would like to notify you that I have already transferred the fee for publication (please see the attached scan of the receipt). Hereby I also attach the copyright form, treatment of personal data. However I did not sign the permission request form as our paper has contained no other's work. Please kindly notify if you have received the fund.

Authors : **Muhammad Yusuf Yunus, Muhammad Ruswandi Djalal, Marhatang Marhatang**  
 Title : **Optimal Design Power System Stabilizer Using Firefly Algorithm In Interconnected 150 kV Sulselrabar System**

**The paper ID 11136**

Thank you very much.
