Dear Author(s)

Thank you for submitting your poster to HPC Saudi 2018.

We are pleased to inform you that your poster has been accepted for the HPC Saudi 2018 conference. As we had mentioned in the Call for Posters:
"Three cash awards of 4000, 3000, 2000 SAR will be given to the three best posters. Seven additional cash awards of 1000 SAR each will be given to the next seven best posters. The cash awards will only be given to the posters which are presented by at least one poster author. The awards will only be given if posters meet minimum expected scientific quality; i.e. the number of cash awards depend on the number of received high quality posters."

Moreover, at least one author must be present at the time of the poster awards ceremony to receive the award.

You may email us an improved electronic version of your poster by Sunday 04 March 2018 (otherwise we will use your initial submission).

Your poster must follow the guidelines mentioned in the Call for Posters:
http://www.hpcsaudi.org/2018/?page_id=12

We will print and display your posters in the poster session area.

Thank you for your contributions and we are looking forward to seeing you here @ KAU in Jeddah.

PS: Remember to register for the conference at www.hpcsaudi.org.

Kind Regards
HPC Saudi 2018 Organizing Team
